2. **Licensing.** The Consultant will maintain, at its own expense, all licenses and certifications necessary to perform the Services.
3. **Standard of Care.** The Consultant will cause the Services to be provided with all due care that would be followed for a comparable project by a reasonably skilled professional consultant in the same field, working in the same region where the Project is located. The Consultant will comply with all legal requirements applicable to the Services.
4. **Payment.** The Consultant may bill monthly for the Services it has performed and any allowable expenses it has incurred. The Purchaser shall pay all properly invoiced amounts due to the Consultant within forty-five (45) days after receipt of Consultant's invoice, except for any amounts disputed by Purchaser in good faith. Purchaser has no obligation to pay any invoice received after written termination of this Purchase Order for Services not delivered or any invoice received six (6) months after the delivery of Services. In the event of any payment disputes, the Consultant shall continue performing its obligations under the Purchase Order notwithstanding such dispute. The Consultant shall promptly furnish all lien waivers, affidavits, and other documents necessary to release and waive all liens and claims arising out of the furnishing of the Services upon payment by Purchaser. Purchaser reserves the right to set off at any time any amount owing to it by Consultant against any amount payable by Purchaser to Consultant.

6. **Changes.** The Consultant will accept reasonable changes in the scope of the Services. Such changes will be made only as directed in writing by the Purchaser. No oral agreements of this Purchase Order will be recognized.
7. **Confidentiality.** The Consultant shall maintain the confidentiality of information designated as confidential by the Purchaser, Prime Contractor, or the Owner or its representatives, unless the information is already publicly available or known to the Consultant from a non-confidential source. Confidentiality shall not be required if withholding the information would violate the law or create the risk of significant harm to the public.
8. **Conflicts of Interest.** Except with the Purchaser's written consent, the Consultant will not engage in any activity, or accept any other assignments, that would reasonably appear to compromise the Consultant's professional independence or judgment with respect to this Project.
9. **Safety.** The Consultant is fully responsible for the safety of its own personnel and for the effects of the Consultant's Services and activities on the safety of others.
10. **Indemnification.** The Consultant will defend, indemnify, and hold harmless the Purchaser, Prime Contractor, and Owner and their officers, employees, agents, representatives, affiliates, and successors from and against any and all claims, demands, liabilities, causes of action, costs, and expenses, including reasonable attorney fees and litigation expenses, involving:

 - b. Bodily injury or death to the Consultant or persons to whom it is responsible;
 - c. Unsafe conditions caused by the Consultant or persons for whom it is responsible;
 - d. Infringement of intellectual property rights resulting from an item or process furnished, designed, or specified by the Consultant or persons for whom it is responsible; or

Consultant is fully responsible for its officers, employees, agents, and other personnel, as well as sub consultants or suppliers at any tier and their personnel. These indemnifications shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for any subcontractor under Workers' Compensation Acts, Disability Acts, or other Employee Benefits Acts.
11. **Insurance.** The Consultant shall procure and maintain, at its own expense and from a company lawfully authorized to issue policies in the jurisdiction in which the Project is located, the minimum insurance coverages listed on the Sample Insurance Certificate. 12. **Termination.** Either party may terminate this Purchase Order, with or without cause, on 30 days' written notice. Alternatively, the Purchaser may terminate on 3 working days' written notice if the Consultant commits and fails to cure a breach of this Purchase Order, or if the Purchaser no longer needs the Services. In the event of termination, the Consultant will be entitled to be paid only for Services actually provided, and allowable expenses actually incurred, through the date of termination. To the extent feasible, without unreasonably increasing its legal exposure, the Consultant will cooperate in providing materials prepared through the date of termination which gives the Purchaser and/or the Prime Contractor and Owner the benefit of the partially completed Services. The Indemnification, Insurance, and Payment provisions of this Purchase Order survive termination.

The prevailing party in any action arising from this Purchase Order shall be entitled, in addition to all other remedies, to recover from the other its reasonable attorney's fees and costs. occur. The rights and remedies under this Purchase Order are cumulative and are in addition to and not in substitution for any other rights and remedies available at law or in equity or otherwise. If any term or provision of this Purchase Order is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction.
